She Bangs

Ricky Martin

Talk to me, tell me your name You blow me off like it's all the same You lit a fuse, and now I'm ticking away Like a bomb, yeah babyTalk to me, tell me your sign You're switchin' sides like a gemini You're playing games and now you're hittin' my heart Like a drum, yeah babyWell if Lady Luck gets on my side We're gonna rock this town alive I'll let her rough me up 'Til she knocks me out 'Cause she walks like she talks And she talks like she walks She bangs, she bangs Oh baby when she moves, she moves I go crazy 'cause she looks like a flower But she stings like a bee Like every girl in historyShe bangs, she bangs I'm wasted by the way she moves No one ever looked so fine She reminds me that a woman's Got one thing on her mindTalk to me, tell me your name I'm just a link in your daisy chain Your rap sounds like a diamond Map to the stars, yeah baby Talk to me, tell me the news You'll wear me out like a pair of shoes We'll dance all night until the band goes home Then you're gone, yeah baby Well, if it looks like love should be a crime They better lock me up for live I'll do the time with a smile on my face Thinkin' of her in her leather and laceShe bangs, she bangs Oh baby when she moves, she moves I go crazy 'cause she looks like a flower But she stings like a bee Like every girl in historyShe bangs, she bangs I'm wasted by the way she moves No one ever looked so fine She reminds me that a woman's Got one thing on her mindMan, if Lady Luck gets on my side We're gonna rock this town alive I'll let her rough me up

'Till she knocks me out

'Cause she walks like she talks
And she talks like she walksShe bangs, she bangs
Oh baby when she moves, she moves
I go crazy 'cause she looks like a flower
But she stings like a bee
Like every girl in historyShe bangs, she bangs
I'm wasted by the way she moves
No one ever looked so fine
She reminds me that a woman's
Got one thing on her mind
