Walking these dirty streets With hate in my mind Feeling the scorn of the world I won't follow your rulesBlame and lies Contradictions arise Blame and lies Contradictions ariseNon-conformity in my inner self Only i guide my inner selfI won't change my way It has to be this way I live my life for myself Forget your filthy ways Blame and lies Contradictions arise Blame and lies Contradictions ariseNobody will change my way Life betrays but i keep on going There's no light but there's hope Crushing oppression i winBetraying and playing dirty You think you'll win But someday you'll fall And i'll be waitingLaughs of an insane man You'll hear Personality is my weapon Against your envy Walking these dirty streets With hate in my mind Feeling the scorn of the world I won't follow your rulesNon-conformity in my inner self Only i guide my inner self
