

Lonely Soul (feat. Richard Ashcroft)

UNKLE

God knows you're lonely souls
God knows you're lonely souls God knows you're lonely souls
Yeah, yeah I believe, there's a time, and a place
To let your mind drift and get out of this place
I believe, there's a day, and a place
That we will go to and I know you wanna share There's no secret to living (There's no secret to
living)
Just keep on, walking
There's no secret to dying (There's no secret to dying)
Just keep on flying I'm gonna die in a place that don't know my name
I'm gonna die in a space that don't hold my fame (God knows you're lonely souls)
(God knows you're lonely souls)
I believe, there's a time, when the cord, of life
Should be cut, my friends (Cut the cord my friend)
I believe, there's a time, when the cord, can be cut
And this, vision ends (Let this vision end) But I'm gonna die in a place that don't know my name
And I'm gonna cry in a space that don't hold my fame Walking in the cold
Just keep on flying
There'll be a searchlight
On the mountain high
God knows you're lonely souls
God knows you're lonely souls
God knows you're lonely souls
God knows you're lonely souls
Yeah, yeah, yeah, yeah, yeah
I'm a lonely soul I'm going to die in a place that don't know my, name
God knows you are lonely souls
Lonely souls
Lonely souls
Lonely souls
I'm a lonely soul
So long, little chapel
Sweet is the little sound
Pack up your light
Pack up your light
Say goodbye to the holy water life
Listening and
Ohhh... we get in and out
Ahhh...
Pushing it in
Pushing it in
