

# The One

## The Chainsmokers

You know, I'm sorry  
I won't make it to your party  
Got caught up in my own selfishness  
It won't let me be a part of this  
And I know I've started  
Drifting off every second  
I can't wait to leave as soon as I arrive  
I count the seconds  
Down and down we go  
We'll torch this place we know  
Before one of us takes a chance  
And breaks this, I won't be the one  
No, I won't be the one  
I know it's pathetic  
Fuck it, yeah, I said it  
Tried to tell it like it is  
There's a chance that I'll regret it, so  
Let's go, let's end this  
I delete before I send it  
And we can play pretend  
Like we haven't reached the end yet  
Down and down we go  
And we'll torch this place we know  
Before one of us takes a chance  
And breaks this, I won't be the one  
No, I won't be the one  
(You know, I'm sorry)  
(I'm sorry)  
No, I won't be the one  
No, I won't be the one
