

The Sky Is a Neighborhood

Foo Fighters

The sky is a neighborhood
So keep it down
The heart is a storybook
A star burned outThe sky is a neighborhood
Don't make a sound
Lights coming up ahead
Don't look nowThe sky is a neighborhood
The sky is a neighborhood
Don't look nowOh my dear
Heaven is a big bang now
Gotta get to sleep somehow
Bangin' on the ceiling
Bangin' on the ceiling
Keep it down
Oh my dear
Heaven is a big bang now
Gotta get to sleep somehow
Bangin' on the ceiling
Bangin' on the ceiling
Keep it downMind is a battlefield
All hope is gone
Trouble to the right and left
Whose side you're on?Thoughts like a minefield
I'm a ticking bomb
Maybe you should watch your step
Don't get lostThe sky is a neighborhood
The sky is a neighborhood
Don't get lost
Oh my dear
Heaven is a big bang now
Gotta get to sleep somehow
Bangin' on the ceiling
Bangin' on the ceiling
Keep it downOh my dear
Heaven is a big bang now
Gotta get to sleep somehow
Bangin' on the ceiling
Bangin' on the ceiling
Keep it downThe sky is a neighborhoodThe heart is a storybook
A star burned out
Something coming up ahead
Don't look nowOh my dear

Heaven is a big bang now
Gotta get to sleep somehow
Bangin' on the ceiling
Bangin' on the ceiling
Keep it down Oh my dear
Heaven is a big bang now
Gotta get to sleep somehow
Bangin' on the ceiling
Bangin' on the ceiling
Keep it down (The sky is a neighborhood)
Oh my dear
Heaven is a big bang now
Gotta get to sleep somehow
(The sky is a neighborhood)
Bangin' on the ceiling
Bangin' on the ceiling
Keep it down The sky is a neighborhood
