

Beekeeper

Keaton Henson

Believe me
believe me this loneliness won't go away.
Hear me
oh woman I have gone astray
gone astray. Your friends
Your friends will always just be in your way.
Trust me they'll die or leave you either way
either way. You all say I've crossed a line
and the sad fact is I've lost my mind.
You all say I've crossed a line
and the sad fact is I've lost my mind.
Cause I'm just getting started, let me offend.
The devil's got nothing on me my friend.
All I want is to be left alone.
Tact from me is like blood from a stone
Cause I'm just getting started, let me offend. The devil's got nothing on me my friend.
All I want is to be left alone.
Tact from me is like blood from a stone
from a stone.
Can you see? Can you see they tell you lies thus keeping you weak.
Leave me my heart is dead for all to see
can you see?
You all say I've crossed a line and the sad fact is I've lost my mind.
You all say I've crossed the line
and the sad fact is I've lost my mind.
'Cause I'm just getting started, let me offend.
The devil's got nothing on me my friend.
All I want is to be left alone.
Tact from me is like blood from a stone
But I'm just getting started, let me offend.
The devil's got nothing on me my friend.
All I want is to be left alone.
Tact from me is like blood from a stone
from a stone.
