

The Ghost in You

[Robyn Hitchcock](#)

A man in my shoes runs a light
And all the papers lied tonight
But falling over you
Is the news of the day Angels fall like rain
And love, love, love is all of Heaven away Inside you the time moves and she don't fade
The ghost in you, she don't fade
Inside you the time moves and she don't fade
A race is on I'm on your side
And hearing you my engines die
I'm in a mood for you
For running away Stars come down in you
And love, love, love you can't give it away Inside you the time moves and she don't fade
The ghost in you, she don't fade
Inside you the time moves and she don't fade Don't you go it makes no sense
When all your talking supermen
Just take away the time
And get in the way Ain't it just like rain
And love, love, love is only Heaven away
Inside you the time moves and she don't fade
The ghost in you, she don't fade
Inside you the time moves and she don't fade
The ghost in you, she don't fade Inside you the time moves and she don't fade
The ghost in you, she don't fade
