Baby I Love You (feat. Bonnie Raitt)

[B.B. King](#)

If you want my love, if you really do
Don't be afraid, baby, just ask and
Ooh, I'm gonna give it to you
Though I do declare, I want to see you with it
Stretch out your arms, little boy, you're gonna get it'Cause I love you, baby
Baby, baby, baby, I love you
There ain't no doubt about it, I love you
Baby, baby, baby, I love you, I love you, I love you
Baby, I love you
Some day, you might wanna run away
Leave me sitting here, crying
But if it's all the same to you, baby
I'm gonna stop you from saying goodbyeBecause I love you, baby, I love you
I love you, I love you, babySome day you might wanna run away
Leave me here, sitting and crying
But if it's all the same to you, baby
I'm gonna stop you from saying goodbyeBaby, I love you, baby, I need you
Gotta have you, baby, tell you, darling
Don't let your neighbors tell you that I don't want you
Don't let your low down friends tell you I don't need you
Ooh, baby, I love you, I got to have you
Baby, baby, I love you
Baby, baby, I love you
Baby, baby, I love you
Baby, baby, I love you
Baby, baby, I love you
