Drag Me Down (feat. LunchMoney Lewis)

One Direction

I've got fire for a heart I'm not scared of the dark You've never seen it look so easy I got a river for a soul And baby, you're a boat Baby, you're my only reasonIf I didn't have you, there would be nothing left The shell of a man who could never be his best If I didn't have you, I'd never see the sun You taught me how to be someone, yeah All my life, you stood by me When no one else was ever behind me All these lights, they can't blind me With your love, nobody can drag me down All my life, you stood by me When no one else was ever behind me All these lights, they can't blind me With your love, nobody can drag me down Nobody, nobody Nobody can drag me down Nobody, nobody Nobody can drag me downI've got fire for a heart I'm not scared of the dark You've never seen it look so easy I got a river for a soul And baby, you're a boat Baby, you're my only reasonIf I didn't have you, there would be nothing left The shell of a man who could never be his best If I didn't have you, I'd never see the sun You taught me how to be someone, yeahAll my life, you stood by me When no one else was ever behind me All these lights, they can't blind me With your love, nobody can drag me down Nobody, nobody Nobody can drag me down Nobody, nobody Nobody can drag meAll my life, you stood by me When no one else was ever behind me All these lights, they can't blind me With your love, nobody can drag me down All my life, you stood by me When no one else was ever behind me All these lights, they can't blind me
