

# Traveller

Chris Stapleton

I see the sunrise creeping in  
Everything changes like the desert wind  
Here she comes and then she's gone again  
I'm just a traveller on this earth  
Sure as my heart's behind the pocket of my shirt  
I'll just keep rolling till I'm in the dirt  
'Cause I'm a traveller, oh, I'm a traveller  
I couldn't tell you honey, I don't know  
Where I'm going but I've got to go  
'Cause every turn reveals some other road  
And I'm a traveller, oh, I'm a traveller  
My heartbeat's rhythm is a lonesome sound  
Just like the rubber turning on the ground  
Always lost and nowhere bound  
I'm just a traveller on this earth  
Sure as my heart's behind the pocket of my shirt  
I'll just keep rolling till I'm in the dirt  
'Cause I'm a traveller, oh, I'm a traveller  
I couldn't tell you honey, I don't know  
Where I'm going but I've got to go  
'Cause every turn reveals some other road  
And I'm a traveller, oh, I'm a traveller  
When I'm gone  
Somebody else will have to feel this wrong  
Somebody else will have to sing this song  
Somebody else will have to sing along  
Sing along  
I'm just a traveller on this earth  
Sure as my heart's behind the pocket of my shirt  
I'll just keep rolling till I'm in the dirt  
'Cause I'm a traveller, oh, I'm a traveller  
I couldn't tell you honey, I don't know  
Where I'm going but I've got to go  
'Cause every turn reveals some other road  
And I'm a traveller, oh, I'm a traveller
