Lego House

Ed Sheeran

I'm gonna pick up the pieces And build a Lego house If things go wrong we can knock it downMy three words have two meanings There's one thing on my mind It's all for youAnd it's dark in a cold December, But I've got you to keep me warm If you're broken I will mend you And keep you sheltered from the storm that's raging on nowI'm out of touch, I'm out of love I'll pick you up when you're getting down And out of all these things I've done I think I love you better now I'm out of sight, I'm out of mind I'll do it all for you in time And out of all these things I've done I think I love you better now, nowI'm gonna paint you by numbers And color you in If things go right we can frame it And put you on a wallAnd it's so hard to say it But I've been here before Now I'll surrender up my heart And swap it for yoursI'm out of touch, I'm out of love I'll pick you up when you're getting down And out of all these things I've done I think I love you better now I'm out of sight, I'm out of mind I'll do it all for you in time And out of all these things I've done I think I love you better nowDon't hold me down I think the braces are breaking, And it's more than I can takeAnd it's dark in a cold December, But I've got you to keep me warm If you're broken I will mend you And keep you sheltered from the storm that's raging on nowI'm out of touch, I'm out of love I'll pick you up when you're getting down And out of all these things I've done I think I love you better nowI'm out of sight, I'm out of mind I'll do it all for you in time And out of all these things I've done I think I love you better nowI'm out of touch, I'm out of love I'll pick you up when you're getting down And out of all these things I've done I will love you better now
