

# High Energy

Evelyn Thomas

High energy, your love is lifting me-ah  
Hoh-oh-oh-oh, high energy, your love is lifting me  
Lifting me hiiiiiiiiigher, hi-hi-hiiiiiiiiigher It was only last week that we first met  
When I was a-walking' down the street  
You came up from behi-ind me and I knew  
That our eyes were gonna meet That's when I fell, into your arms  
Ima-agine my surprise  
I thought this only happened in fairytales  
Lo-ove hit me right between the eye-eyes  
Oh yeah, high energy, your love is lifting me  
Woh-oh-woh-oh-oh, high energy, yeah  
Your love is lifting me  
Lifting me hiiiiiiiiigher, hi-hiiiiiiiiigher When you call me on the phone  
You make my spirits rise  
I'm glad the others didn't last  
It's a blessing in disguise Everytime your touchin' me  
It gives me such a thrill  
When I look deep into your eyes  
My heart just can't keep sti-i-i-ill, oh no  
High energy, yeah, your love is lifting me  
Woh-woh-woh-woh-woh, high energy, woh yeah  
Your love is lifting me  
Lifting me hi-i-i-igh (high energy)  
Oh-high-high, (your love is lifting me)  
Woooh-hooo-hooo-hoo (high energy), high-yeah-yeah-eah  
(Your love is lifting me) Lifting me hiiiiiiiiigher, hiiiiiiiiigher
