Best Friends, Right?

Amy Winehouse

I can't wait to get away from you Unsuprisingly you hate me too

We only communicate when we need to fight

But we are best friends... right? You're too good at pretending you don't care

There's enough resentment in the air

Now you don't want me in the flat

When you're home at night

But we're best friends right?

You're Stephanie and I'm Paulette

You know what all my faces mean

And it's easy to smoke it up, forget

Everything that happened in betweenNicky's right when he says I can't win

So I don't wanna tell you anything

I can't even think about

How you feel inside

But we are best friends, right? I don't like the way you say my name

You're always looking for someone to blame

You want me to suffer just cause

You was born wide

But we are best friends right?

You're Stephanie and I'm Paulette

You know what all my faces mean

And its easy to smoke it up, forget

Everything that happened in between

I had love for you when I was four

And there's no one I wanna smoke with more

Someday I'll buy the Rizla, and you get the dro

Cause we are best friends right, right, right?

Because we are best friends right?

Because we are best friends right?
