

The Heart That I'm Hearing

Galantis

I'm gonna let my heart decide if this is real
A thousand pictures can't describe how I feel
It's like the world doesn't exist, but I can still see it
And when I focus on your eyes, it's your heart that I'm hearing
It's your heart that I'm hearing
It's your heart that I'm hearing
It's your heart that I'm hearing
When I say I'M SHATTERPROOF, I know that I mean it
But you broke me to the truth, I couldn't believe it
All the forces of the fates are stealing my reasons
I let you, let you embrace all of my demons
It's your heart that I'm hearing
It's your heart that I'm hearing
It's your heart that I'm hearing
It's your heart that I'm hearing
It's your heart that I'm hearing
It's your heart that I'm hearing
It's your heart that I'm hearing
It's your heart that I'm hearing
It's your heart that I'm hearing
I'm gonna let my heart decide if this is real
A thousand pictures can't describe how I feel
But when I try to run away, your love's interfering
And when I focus on your eyes, it's your heart that I'm hearing
It's your heart that I'm hearing
It's your heart that I'm hearing
It's your heart that I'm hearing
It's your heart that I'm hearing
It's your heart that I'm hearing
It's your heart that I'm hearing
It's your heart that I'm hearing
It's your heart that I'm hearing
