## The Damned

Be a man can a mystery man  
Be a doll be a baby doll  
It can't be fun not anyway  
It can't be found no way at all  
A distant man can't sympathise  
He can't uphold his distant laws  
Due to form on that today  
I got a feeling then I hear this call I said Neat Neat Neat  
She can't afford a cannon  
Neat Neat Neat  
She can't afford a gun at all  
Neat Neat Neat  
She can't afford a cannon  
Neat Neat Neat  
She ain't got no name to call  
Neat Neat Neat  
No crime if there ain't no law  
No more cops left to mess you around  
No more dreams of mystery chords  
No more sight to bring you down  
I got a crazy got a thought in my mind  
My mind's on when she falls asleep  
Feelin' fine in her restless time  
Then these words upon me creep I said Neat Neat Neat  
She can't afford a cannon  
Neat Neat Neat  
She can't afford a gun at all  
Neat Neat Neat  
She can't afford a cannon  
Neat Neat Neat  
She ain't got no name to call  
Neat Neat Neat  
Be a man can a mystery man  
Be a doll like a baby doll  
It can't be fun not anyway  
It can't be found no way at all  
A distant man can't sympathise  
Can't uphold his distant laws  
Due to form on that today  
I got a feeling then I hear that call I said Neat Neat Neat  
She can't afford a cannon  
Neat Neat Neat

She can't afford a gun at all  
Neat Neat Neat  
She can't afford a cannon  
Neat Neat Neat  
She ain't got no name to call  
Neat Neat Neat
