

Got Some Rock & Roll Thunder

AC/DC

Well, I'm headin' on out
Down to a midget's house
I'm gettin' hungry, I'm gettin' mean
I'm gettin' down on easy street Any luck I can find...
I'm feelin' dust, I'm gettin' wild
Any time ya ready to go
It be around, and? Get some rock and roll thunder
Some rock and roll thunder
Yes I been workin' heat and roll
I keep hangin' on rock and roll
I get the beat stain on easy street
I don't get hanger, anger don't need
Down on yo luck
I kid you round, I'm here to help you
Show you what I've found
Can't admit fo' ya, burned ya town
I can't admit fo' ya, come see me if ya need Some rock and roll thunder
Some rock and roll thunder Hey, hey, what do ya know?
I'm feelin' ready and ready to roll
I got the rock and roll thunder
Hey hey hey
Hey hey hey I got some rock and roll thunder
Some rock and roll thunder
Hey, hey, what do ya know?
I'm feelin' ready and ready to roll
I got the rock and roll thunder
The rock and roll thunder
