

Roots

Zac Brown Band

My first best friend
Was a six string
Took him with me
Everywhere I'd go
When I was 18 bought a dodge van
Found a drummer and made the road my home Ooh I wouldn't change a thing
It made the man I am today
My roots
Always keep me grounded
Roots
Remind me where I'm from
Even when Im a thousand miles away from my roots
I'm home
Every Friday
You can find me
At dixie tavern
Playing with my band
We start the show with a round a whiskey
We played our hearts out and wished it never end Ooh I wouldn't change a thing
It made the man I am today
My roots
Always keep me grounded
Roots
Remind me where I'm from
Even when Im a thousand miles away from my roots
I'm home
We get em singing
Don't Stop Believin'
And follow up with a cold beer on a Friday night
Always dreaming one day were playing with all our heroes we cover every night
Flying high all our dreams came true
You've given me wings and Roots
Always keep me grounded
Roots
Remind me where I'm from
Even when Im a thousand miles away from my roots
I'm home My roots
Always keep me grounded
Roots
Remind me where I'm from
My roots
Even when Im a thousand miles away from my roots

I'm home Don't give up
Hold on a little longer
What don't kill you
only makes you stronger Don't give up
Hold on a little longer
What don't kill you
only makes you stronger Don't give up
Hold on a little longer
What don't kill you
only makes you stronger Don't give up
Hold on a little longer
What don't kill you
only makes you stronger Don't give up
Hold on a little longer
What don't kill you
Only gives you stronger roots
