Roots

Zac Brown Band

My first best friend

Was a six string

Took him with me

Everywhere I'd go

When I was 18 bought a dodge van

Found a drummer and made the road my homeOoh I wouldn't change a thing

It made the man I am today

My roots

Always keep me grounded

Roots

Remind me where I'm from

Even when Im a thousand miles away from my roots

I'm home

Every Friday

You can find me

At dixie tavern

Playing with my band

We start the show with a round a whiskey

We played our hearts out and wished it never endOoh I wouldn't change a thing

It made the man I am today

My roots

Always keep me grounded

Roots

Remind me where I'm from

Even when Im a thousand miles away from my roots

I'm home

We get em singing

Don't Stop Believin'

And follow up with a cold beer on a Friday night

Always dreaming one day were playing with all our heroes we cover every night

Flying high all our dreams came true

You've given me wings and Roots

Always keep me grounded

Roots

Remind me where I'm from

Even when Im a thousand miles away from my roots

I'm homeMy roots

Always keep me grounded

Roots

Remind me where I'm from

My roots

Even when Im a thousand miles away from my roots

I'm homeDon't give up Hold on a little longer What don't kill you only makes you strongerDon't give up Hold on a little longer What don't kill you only makes you strongerDon't give up Hold on a little longer What don't kill you only makes you strongerDon't give up Hold on a little longer What don't kill you only makes you strongerDon't give up Hold on a little longer What don't kill you Only gives you stronger roots
