Symptoms

Atlas Genius

It can do just what you want Summer tan these little symptoms you got Water cool these burns down you're so hot Waves can't break these feelings like they're not, soSweetly lover won't ya let me know Like a circle, round and round we go Now we see what we're gonna regret How did the water get so cold?So we soldier on with burning feet we run and here our bodies lay with Harrow road so far away. Water cool these burns down it's so hot. Waves can't break these feelings like they're not, soSweetly lover won't ya let me know Like a circle, round and round we go Now we see what we're gonna regret How did the water get so cold? Sweetly lover won't ya let me know Now we see what we're gonna forget, Never know what we're gonna regret Like a circle, round and round we go Now we see what we're gonna forget How did the water get so cold?
