

# White Houses

Vanessa Carlton

Crashed on the floor when I moved in  
This little bungalow with some strange new friends  
Stay up too late, and I'm too thin  
We promise each other it's til the end  
Now we're spinning empty bottles  
It's the five of us  
With pretty eyed boys girls die to trust  
I can't resist the day  
No, I can't resist the day Jenny screams out and it's no pose  
'Cause when she dances she goes and goes  
Beer through the nose on an inside joke  
I'm so excited, I haven't spoken  
And she's so pretty, and she's so sure  
Maybe I'm more clever than a girl like her  
The summer's all in bloom  
The summer is ending soon  
It's alright and it's nice not to be so alone  
But I hold on to your secrets in white houses Maybe I'm a little bit over my head  
I come undone at the things he said  
And he's so funny in his bright red shirt  
We were all in love and we all got hurt  
I sneak into his car's cracked leather seat  
The smell of gasoline in the summer heat  
Boy, we're going way too fast  
It's all too sweet to last It's alright  
And I put myself in his hands  
But I hold on to your secrets in white houses  
Love, or something ignites in my veins  
And I pray it never fades in white houses  
My first time, hard to explain  
Rush of blood, oh, and a little bit of pain  
On a cloudy day, it's more common than you think  
He's my first mistake Maybe you were all faster than me  
We gave each other up so easily  
These silly little wounds will never mend  
I feel so far from where I've been  
So I go, and I will not be back here again  
I'm gone as the day is fading on white houses  
I lie, wrote my injuries all in the dust  
In my heart it's the five of us  
In white houses And you, maybe you'll remember me  
What I gave is yours to keep

In white houses  
In white houses  
In white houses
