

Beautiful Mistake (feat. Alejandra Ribera)

Alex Cuba

Tell me, why don't you tell me what you're thinking
Now you've got me on a mission
Can you show me how you move Fuertes, son fuertes mis ganas de tenerte
de llenar mi vida de tu suerte
y aprender camino para dos If you don't wanna ride solo, solo
Baby you can ride with me
Si quieres yo me voy contigo, voy contigo
I can be anything you want me to be I can be your great escape
Be your beautiful mistake
Come on let me show you now
Yo puedo ser para ti
tu mas complicado error
Come on let me show you now
Wondering, baby I'm wondering where you going
(?) Honey you fit the move so slowly (?)
Can you tell me where they lead Fácil, tan fácil te quedas en mi mente
Con pocas palabras me convences
y pronto detienes mi reloj If you don't wanna ride solo, solo
Baby you can ride with me
Si quieres yo me voy contigo
I can be anything you want me to be I can be your great escape
Be your beautiful mistake
Come on let me show you now
I can be your great escape
Be your beautiful mistake
Come on let me show you now
If you don't wanna ride solo, solo
Baby you can ride with me
Si quieres yo me voy contigo
I can be anything you want me to be I can be your great escape
Be your beautiful mistake
Come on let me show you now
Yo puedo ser para ti
tu mas complicado error
Come on let me show you now I can be your great escape
Be your beautiful mistake
Come on let me show you now
