

# Comeback

## Jonas Brothers

Come back to me, baby, I'll come back to you  
You know the place that I go runnin' to  
I get scared when you're scared but what else can I do? Come back to me, baby, I'll come back  
to you Wherever you are right now  
Know somehow  
I'll be on the way like a bat out of hell  
Heaven knows I'm proud but I'll turn 'round  
Baby, if you stay then I won't let you down, oh  
Whatever we've done, whatever we'll do  
Baby, if you come back now  
I'll come back to you  
Come back to me, baby, I'll come back to you  
Light up the world like only you can do  
If you're lost on the way then I'll get lost too  
Come back to me, baby, I'll come back to you Wherever you are right now  
Know somehow  
I'll be on the way like a bat out of hell  
Heaven knows I'm proud but I'll turn 'round  
Baby, if you stay then I won't let you down, oh  
Whatever we've done, whatever we'll do  
Baby, if you come back now, I'll come back to you Ooh-ooh  
Come back  
Ooh-ooh  
Come back  
Ooh-ooh  
Come back to me, baby, I'll come back to you  
You know the place that I go running to  
I get scared when you're scared but what else can I do?  
Come back to me, baby, I'll come back to you
