

# This Is Not a Drill (feat. Bebe Rexha)

## Pitbull

This is not a drill  
This is not false alarm  
This shit is for real  
Baby I'mma love you down  
This is not a drill  
This is not a false alarm  
This shit is for real  
Baby I'mma love you down I, I, I don't wanna waste your time  
Big girls don't cry wolf when their cry  
Someone's gonna fall in love tonight  
Yeah we might fall in love tonight  
I, I, I don't wanna waste your time  
pretty girls always tell pretty lies  
Someone's gonna fall in love tonight This is not a drill  
This is not a drill  
This is not a drill This is not a drill  
This is not a false alarm I got that sweet D  
Mommy got that sweet P  
When I get on her  
She says: "Ai Papi si, si"  
She give me that road runner, a long neck, beep beep  
And her tongue do a little more than just french kiss oui, oui  
I'm talking big numbers  
Microsoft and DC's  
Bring a friend and a friend  
Chicago Bulls repeat  
Mommy got them looks that kill  
Yeah she's real  
Take it all off, keep them heels  
This is not a drill I, I, I don't wanna waste your time  
Big girls don't cry wolf when their cry  
Someone's gonna fall in love tonight  
Yeah we might fall in love tonight  
I, I, I don't wanna waste your time  
pretty girls always tell pretty lies  
Someone's gonna fall in love tonight  
This is not a drill This is not a drill  
This is not a drill  
This is not a drill  
This is not a false alarm Mommy got that top off  
Mommy got that low ride  
Mommy got that big trunk

Wet paint, that's right  
Mommy got that get down  
She got that locked jaw  
She got that slip  
She got that slice  
She got that pack, yeah  
Mommy's a knockout and that's for real  
Ring the fire alarm  
This is not a drill  
Mommy's a knockout and that's for real  
Ring the fire alarm  
This is not a drill, I, I don't wanna waste your time  
Big girls don't cry wolf when their cry  
Someone's gonna fall in love tonight  
Yeah we might fall in love tonight  
I, I, I don't wanna waste your time  
pretty girls always tell pretty lies  
Someone's gonna fall in love tonight  
This is not a drill  
This is not a drill  
This is not a drill  
This is not a drill  
This is not a false alarm  
This is not a drill  
This is not a drill  
This is not a drill  
This is not a drill  
This is not a false alarm  
This is not a drill
