Ride Like the Wind

Christopher Cross

It is the night My body's weak I'm on the run No time to sleep I've got to ride Ride like the wind To be free againAnd I've got such a long way to go To make it to the border of Mexico So I'll ride like the wind Ride like the windI was born the son of a lawless man Always spoke my mind with a gun in my hand Lived nine lives Gunned down ten Gonna ride like the wind And I've got such a long way to go To make it to the border of Mexico So I'll ride like the wind Ride like the windAccused and tried and told to hang I was nowhere in sight when the church bells rang Never was the kind to do as I was told Gonna ride like the wind before I get oldIt is the night My body's weak I'm on the run No time to sleep I've got to ride Ride like the wind To be free again And I've got such a long way to go To make it to the border of Mexico So I'll ride like the wind Ride like the wind
