

# The Gods Made Heavy Metal

## Manowar

In the beginning there was silence  
and darkness, all across the earth.  
Then came the wind, and a hole in the sky.  
Thunder and lightning keep crushing down  
hit the earth and split the ground  
fire burning high in the sky. From down below, fire melted the stone  
the ground shook, and started to pound. The gods made heavy metal and they saw that it was  
good.

They said to play it louder than hell  
we promised that we would.

When losers say its over with  
you know that its a lie.

The gods made heavy metal  
and its never gonna die.

We are the true believers  
its our turn to show the world  
in the fire of heavy metal  
we were burnt.

It's more than our religion  
it's the only way to live  
but the enemies of metal  
we can't forgive.

Cause' We believe in the power and the might  
and the gods who made metal, are with us tonight.  
The gods made heavy metal and they saw that it was good.

They said to play it louder than hell  
we promised that we would.

When losers say its over with  
you know that its a lie.

The gods made heavy metal  
and its never... gonna die.

We believe in the power and the might  
and the gods who made metal, are with us tonight.  
We're here tonight for heavy metal are you ready in the hall?

They have chosen us  
and we have heard the call.

Go and tell rumor with our sound  
crack walls and shake the ground.

Fight tonight for metal  
one and all.

(cause) we believe in the power and the might  
and the gods who made metal, are with us tonight.

The gods made heavy metal and they saw that it was good.  
They said to play it louder than hell  
we promised that we would.  
When losers say its over with  
you know that its a lie.  
The gods made heavy metal  
and its never gonna die.

The gods made heavy metal and they saw that it was good.  
They said to play it louder than hell  
we promised that we would.  
When losers say its over with  
you know that its a lie.  
The gods made heavy metal  
and its never gonna die.

The gods made heavy metal  
and they saw that it was good.  
They said to play it louder than hell  
we promised that we would.  
When losers say its over with  
you know that its a lie.  
The gods made heavy metal  
and its never gonna, never gonna die.
