

The Gods Made Heavy Metal

Manowar

In the beginning there was silence
and darkness, all across the earth.
Then came the wind, and a hole in the sky.
Thunder and lightning keep crushing down
hit the earth and split the ground
fire burning high in the sky. From down below, fire melted the stone
the ground shook, and started to pound. The gods made heavy metal and they saw that it was
good.

They said to play it louder than hell
we promised that we would.

When losers say its over with
you know that its a lie.

The gods made heavy metal
and its never gonna die.

We are the true believers
its our turn to show the world
in the fire of heavy metal
we were burnt.

It's more than our religion
it's the only way to live
but the enemies of metal
we can't forgive.

Cause' We believe in the power and the might
and the gods who made metal, are with us tonight.
The gods made heavy metal and they saw that it was good.

They said to play it louder than hell
we promised that we would.

When losers say its over with
you know that its a lie.

The gods made heavy metal
and its never... gonna die.

We believe in the power and the might
and the gods who made metal, are with us tonight.
We're here tonight for heavy metal are you ready in the hall?

They have chosen us
and we have heard the call.

Go and tell rumor with our sound
crack walls and shake the ground.

Fight tonight for metal
one and all.

(cause) we believe in the power and the might
and the gods who made metal, are with us tonight.

The gods made heavy metal and they saw that it was good.
They said to play it louder than hell
we promised that we would.
When losers say its over with
you know that its a lie.
The gods made heavy metal
and its never gonna die.

The gods made heavy metal and they saw that it was good.
They said to play it louder than hell
we promised that we would.
When losers say its over with
you know that its a lie.
The gods made heavy metal
and its never gonna die.
The gods made heavy metal
and they saw that it was good.
They said to play it louder than hell
we promised that we would.
When losers say its over with
you know that its a lie.
The gods made heavy metal
and its never gonna, never gonna die.
