

Love Me Till It Hurts

Papa Roach

Love me till it hurts
Love me till it hurts You are the poison, you are the pain
The one chemical inside my veins
It's true, I've been infected by you
I'm not a killer, no, I'm not a saint
And there's nobody left that I can blame
Yeah, it's true, I am the poison in you Will you love me till it hurts?
Never leave me at my worst
Break this cycle, break this curse
Love me till it hurts!
We are gather, we deserve
Tell me do I have your word?
Break this cycle, break this curse!
Love me till it hurts
Love me till it hurts
I fall in love but then we wake to war
Now I'm the enemy, I'm at your door
It's true, I'm only fightin' for you
We thought that we could make it through the storm
Hell broke loose and then you fell from my arms
Yeah, it's true, I couldn't hold on to you Will you love me till it hurts?
Never leave me at my worst
Break this cycle, break this curse
Love me till it hurts!
We are gather, we deserve
Tell me do I have your word?
Break this cycle, break this curse!
Love me till it hurts!
Will you love me till it hurts?
Never leave me at my worst
Break this cycle, break this curse
Love me till it hurts!
We are gather, we deserve
Tell me do I have your word?
Break this cycle, break this curse!
Love me till it hurts! Love me till it hurts
Love me till it hurts
Love me till it hurts
Love me till it hurts
