

# Love Me Till It Hurts

## Papa Roach

Love me till it hurts  
Love me till it hurts You are the poison, you are the pain  
The one chemical inside my veins  
It's true, I've been infected by you  
I'm not a killer, no, I'm not a saint  
And there's nobody left that I can blame  
Yeah, it's true, I am the poison in you Will you love me till it hurts?  
Never leave me at my worst  
Break this cycle, break this curse  
Love me till it hurts!  
We are gather, we deserve  
Tell me do I have your word?  
Break this cycle, break this curse!  
Love me till it hurts  
Love me till it hurts  
I fall in love but then we wake to war  
Now I'm the enemy, I'm at your door  
It's true, I'm only fightin' for you  
We thought that we could make it through the storm  
Hell broke loose and then you fell from my arms  
Yeah, it's true, I couldn't hold on to you Will you love me till it hurts?  
Never leave me at my worst  
Break this cycle, break this curse  
Love me till it hurts!  
We are gather, we deserve  
Tell me do I have your word?  
Break this cycle, break this curse!  
Love me till it hurts!  
Will you love me till it hurts?  
Never leave me at my worst  
Break this cycle, break this curse  
Love me till it hurts!  
We are gather, we deserve  
Tell me do I have your word?  
Break this cycle, break this curse!  
Love me till it hurts! Love me till it hurts  
Love me till it hurts  
Love me till it hurts  
Love me till it hurts
