I Always Get What I Want

Avril Lavigne

Every now and then we all want somethin'

Even if there's no way of gettin' it.

If I stomp my feet quick that maybe be the way around it Could I get myself around it.Get me what I want

Everything I don't got

So give me what I want

Cause I'm a big shotDon't wanna always have to be so nice

Don't wanna hear you say well that's just life

I'll drown you out when I open my mouth

And make my way around it. I always make my way around it.

Get me what I want

Everything I don't got.

Give me what I want

Cause I'm a big shot.

So give me what I want

I always get what I want.

You don't wanna see me when

I don't get what I wantIt's not what you want.

I'm not about to take no

For answer; NO, if I tell

You I can't I'm still gonna go.

I did it all by myself and I foundI found my way around it

Get me what I want

Everything I don't got.

Give me what I want

'Cause I'm a big shot.

So give me what I want

I always get what I want

You don't wanna see me when

I don't get what i want

That's not what you want.

It's not too lovely

It could start to get uglyIt really bugs me, if

If I don't get my way!

Get me what I want

Everything I don't got.

So give me what I want

Cause I'm a big shot.

So give me what I want

I always get what I want.

You don't wanna see me when

I don't get what I want

It's not what you want. If I don't get what I want It's not what you want. Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
