

# Fireball (feat. John Ryan)

Pitbull

Mr. Worldwide to infinity  
You know the roof on fire  
We gon' boogie oogie oogie, jiggle, wiggle and dance  
Like the roof on fire  
We gon' drink drinks and take shots until we fall out  
Like the roof on fire  
Now baby get your booty naked, take off all your clothes,  
And light the roof on fire  
Tell her, tell her baby baby baby baby baby baby baby baby  
I'm on fire  
I tell her baby baby baby baby baby baby baby baby baby  
I'm a fireballFireball  
I saw, I came, I conquered  
Or should I say, I saw, I conquered, I came  
They say the chico on fire and he no liar  
While y'all slippin' he runnin' the game  
Now big bang boogie  
Get that kitty little noogie  
In a nice nice little shade  
I gave Suzie a little pat up on the booty  
And she turned around and said  
Walk this wayI was born in a flame  
Mama said that everyone would know my name  
I'm the best (that's right) you've ever had (that's right)  
If you think I'm burning out, I never am  
I'm on fire  
I'm on fire  
I'm on fire  
I'm on fire  
Fireball  
FireballSticks and stones may break my bones  
But I don't care what y'all say  
'Cause as the world turns, y'all boys gonna learn  
That this chico right here don't play  
That boy's from the bottom, bottom of the map  
M.I.A. U.S.A.  
I gave Suzie a little pat up on the booty  
And she turned around and said  
Walk this wayI was born in a flame  
Mama said that everyone would know my name  
I'm the best (that's right) you've ever had (that's right)  
If you think I'm burning out, I never am
