

# Cheers To the Fall

## Andra Day

Sometimes I go right  
When the right way was left  
Don't draw inside the lines  
Because the scribbles look so sick  
And who says you can't win them all  
If you try  
They say the higher that you climb  
The further when you take the dive  
But it's comatose  
And I can't live that closed  
They say the higher that you climb  
And when you fall you won't survive  
But it's comatose  
And I can't live that closed  
Cause I don't know how to never try at all  
So cheers to the fall  
I can't pretend to be perfect  
Or fit into some made up roll  
But I can make the hand I'm dealt work if  
I decide to never fold  
And who says you can't win them all  
If you try  
They say the higher that you climb  
The further when you take the dive  
But it's comatose  
And I can't live that closed  
They say the higher that you climb  
And when you fall you won't survive  
But it's comatose  
And I can't live that closed  
Cause I don't know how to never try at all  
So cheers to the fall  
Thanks for all your sound advice  
That I didn't ask for  
I'll take all of it in stride  
And now I know  
They say the higher that you climb  
The further when you take the dive  
But it's comatose  
And I can't live that closed  
They say the further that you climb  
Then when you fall you won't survive  
But it's comatose  
And I can't live that closed  
Cause I don't know how to never try at all  
So cheers to the fall  
I'll learn my lesson but I'll try

I'll take the climb  
Cheers to the fall  
Cheers to the fall
