Cheers To the Fall

Andra Day

Sometimes I go right
When the right way was left
Don't draw inside the lines

Because the scribbles look so sickAnd who says you can't win them all If you tryThey say the higher that you climb

The further when you take the dive

But it's comatose

And I can't live that closed

They say the higher that you climb

And when you fall you won't survive

But it's comatose

And I can't live that closed

Cause I don't know how to never try at all

So cheers to the fall

I can't pretend to be perfect

Or fit into some made up roll

But I can make the hand I'm dealt work if

I decide to never foldAnd who says you can't win them all

If you tryThey say the higher that you climb

The further when you take the dive

But it's comatose

And I can't live that closed

They say the higher that you climb

And when you fall you won't survive

But it's comatose

And I can't live that closed

Cause I don't know how to never try at all

So cheers to the fall

Thanks for all your sound advice

That I didn't ask for

I'll take all of it in stride

And now I knowThey say the higher that you climb

The further when you take the dive

But it's comatose

And I can't live that closed

They say the further that you climb

Then when you fall you won't survive

But it's comatose

And I can't live that closed

Cause I don't know how to never try at all

So cheers to the fall

I'll learn my lesson but I'll try

I'll take the climb
Cheers to the fall
Cheers to the fall
