

# Timebomb

[Kylie Minogue](#)

Fast, time is ticking oh so fast  
The sand is running quick right through our hands  
Beat, feel the rhythm in my heartbeat  
Why don't you move your body to my body  
Before we disappear Tell me now, woo  
Do you want to, want to, want to, woo  
I want to, want to dance like it was the last dance of my life  
I want to woo, want to, want to, want to, want to, woo  
Do you want to, want to dance, like it was the last dance Wait, no, please don't make me wait  
When walls are shaking, ground feels like it might break  
It's not the end of the world  
It's just the start of me and you, yeah  
So let's just take the moment  
Boy let's move  
Tell me now, woo  
Do you want to, want to, want to, woo  
I want to, want to dance like it was the last dance of my life  
I want to woo, want to, want to, want to, want to, woo  
Do you want to, want to dance, like it was the last dance We're on a timebomb, it might not last  
long  
So let's just do it right now, do it come on  
We're on a timebomb, before the night's gone  
Let's just do it right now, do it come on, come on Wait, please don't make me wait  
Wait, please don't make me wait Tell me now, woo  
Do you want to, want to, want to, woo  
I want to, want to dance like it was the last dance of my life  
I want to woo, want to, want to, want to, want to, woo  
Do you want to, want to dance, like it was the last dance  
We're on a timebomb, it might not last long  
So let's just do it right now, do it come on  
We're on a timebomb, before the night's gone  
Let's just do it right now, do it come on, come on
