always do it on my own so I gotta get through it and the only thing I  
know is to love what I'm doing never give up never slow til I  
finally prove it never listen to the No's i just wanna keep moving keep my head up when I act  
head up that's a  
fact never looking back ima keep myself on track  
keep my head up staying strong always moving on  
feel I don't belong tell my thoughts to move along push myself to be the best die with no regrets  
live with every breath see my message start to spread and I had so many dreams then you hit  
your teens life  
ain't really what it seems try to find out what it means always do it on my own so I gotta get  
through it and the only thing I  
know is to love what I'm doing never give up never slow til I  
finally prove it never listen to the No's i just wanna keep moving  
yea I put out all this art, its my only medicine yea everything I do,  
im just being genuine I'm sick of being screwed,  
feel my own adrenaline yea i do just what  
I do, and I hope you let me in let me in yea I'm grateful  
oh yea  
able  
oh yea  
I'm stable  
oh yea  
no label  
oh yea Know me  
I have  
only path  
I'm lonely  
but damn  
I'm going  
to win  
I don't want no fake love  
I want the real stuff  
everybody listen up  
cuz I'll only say it once  
I'm gon show you all the path  
if you want it bad

working hella hard until I get just what  
I want yea rise just like the sun  
yea fatal like a gun

through it and the only thing I  
know is to love what I'm doing never give up never slow til I finally

out all this art, its my only medicine yea everything I do,  
im just being genuine I'm sick of being screwed,
