

# Bad Boys

## Whitesnake

I know you, you know me  
I'm the black sheep of the family  
I'm in an' out of trouble  
I'm the talk of the town  
I get wild in the street  
When the sun goes down I steal around like a thief in the night  
Dancing till the break of day Bad boys  
Running undercover of moonlight  
Bad, bad boys  
Getting wild in the street  
Wild in the city  
I see you, you see me  
Just a black street boy in society  
With high-heeled women  
Full of champagne an' lies  
Getting wild in the street  
Till the hot sunrise Stealing 'round like a thief in the night  
Dancing till the break of day Bad boys  
Running undercover of moonlight  
Bad, bad boys  
Getting wild in the street  
Wild in the city  
Wild in the city  
Wild in the city  
Bad, bad boys  
Running undercover of moonlight  
Bad, bad boys  
Getting wild in the street  
Wild in the city I know you, you know me  
I'm the black sheep of the family  
I'm in an' out of trouble  
I'm the talk of the town  
I get wild in the street  
When the sun goes down I don't care what the people think  
I can't hear what the people say  
I steal around like a thief in the night  
Dancing till the break of day Bad, bad boys  
Running undercover of moonlight  
Bad, bad boys  
Getting wild in the street Bad, bad, bad boys  
Running undercover of moonlight  
Bad, bad boys

Getting wild in the street  
Wild in the city Undercover of the moonlight  
Undercover of the moonlight  
Undercover of the moonlight  
Bad, bad boys
