Find Myself In You

Brian McKnight

I was so lonely though there was so many someone's waiting

I'm so glad that this ain't that

Girl you're the only reason I can make it through the long long day, and that's a factBaby, I can't wait to get next to you, oh I can't wait to wrap my arms around your body

Baby I can't help but to tell the truth

Oh it's so hard to wait till no one else is around

I'm gonna try to keep myself together

till I find myself in you

Baby no no

Before they take you back to heaven

Gonna find myself in you, no no

I hate to keep you waiting

But there are some things that need my attention before I can get back to you

Anticipating my hands all over your body, baby you know

I know just what to doAnd baby I can't wait to get next to you, oh I can't wait to wrap my arms

around your body

Baby I can't help but to tell the truth

Oh it's so hard to wait till no one else is around

I'm gonna try to keep myself together

till I find myself in you

Baby no no

Before they take you back to heaven

Gonna find myself in you, no no, no no baby

The only place I want to be is right here with you

Loving you down and you

You can take what you want from me

long as you let me

Hang around

I'm gonna try to keep myself together

Till I find myself in you

Oh Baby

Before they take you back to heaven

Gonna find myself in you, oh baby

I'm gonna keep myself together

Till I find myself in you

Oh, baby, baby

Before they take you back to heaven

Gonna find myself in you

Listen, listen
