

# Cover Me

## Percy Sledge

Cover me, cover me  
Spread your precious love all over me  
Oh, can't you see the need in me?  
Oh, cover me, cover me Hide me, hide me  
Where no other can find me  
Oh, I'm feeling cold, I need you so  
Oh, cover me, cover me Girl, my love for you gets stronger everyday  
Oh, temptation might be waiting 'round the way  
When I'm and I get led astray  
Find me, find me  
Can't stop the little tear that blinds me  
Oh darling, I don't want to lose you  
Oh, find me  
Stay with me, stay with me  
Baby, make it all the way with me  
Oh, everyday and every way  
Stay with me, you stay with me  
Cover me, cover me  
Spread your precious love all over me  
Oh, can't you see the need in me?  
Oh, cover me, cover me Cover me, cover me  
Spread your precious love all over me  
Oh, can't you see?
