

# Over My Head

## Echosmith

[Intro]

Over my head, over my head, over my head  
Over my head, over my head, over my head[Verse 1]  
There's always static on TV in this hotel room  
Reminds me of all the things you think I don't understand  
It seems like you and me, we keep losing connection  
Whenever you talk to me, it doesn't make any sense[Pre-Chorus 1]  
Don't know what you meant, it's always over my head  
Yeah, over my head

Yeah, it's so

[Chorus]

Over my head, over my head, over my head  
Over my head, over my head, over my head  
Is it too late, too far gone to fix this  
Over my head, over my head, over my head  
Over my head

Over my head[Verse 2]

You take the simplest thing and always complicate it  
Talking in circles, got me dizzy like a merry go round  
Shouldn't be so hard to have a conversation it  
I'm sick of fighting with your ego, I wish you would admit[Pre-Chorus 2]  
But I don't understand, it's always over my head  
Yeah, over my head

Yeah, it's so

[Chorus]

Over my head, over my head, over my head  
Over my head, over my head, over my head  
Is it too late, too far gone to fix this  
Over my head, over my head, over my head  
Over my head

Over my head[Bridge]

So tell me, tell me

Tell me all the things that you are thinking, thinking  
Tell me what it is that I am missing, missing  
Don't want this to slip right through our hands  
Don't want this to go

Over my head, over my head, over my head  
Over my head, over my head, over my head  
Is it too late, too far gone to fix this  
Over my head, over my head, over my head[Chorus]  
Over my head, over my head, over my head  
Over my head, over my head, over my head

Is it too late, too far gone to fix this  
Over my head, over my head, over my head  
Oh, over my head  
Over my head  
Oh, over my head
