

# The Downfall of Us All

## A Day to Remember

da, da, daLet's go!It's not easy making a name for yourself  
Where do you draw the line?  
I never thought I'd be in this far  
Let's have some fun and never change, not for anyone  
Try not to miss me when I'm gone  
I sold my soul to the open road  
I live my life alone!You won't find me in the same spot, believe me - I could never stop  
My life's turned upside down  
Meet me out past those train tracks  
I'm leaving and not coming back  
You're right and I was wrong  
This town will be the downfall of us all  
I'm gonna need you to try to follow along  
I did the best that I could to try to write you songs  
Now go tell them we sold out like we're the ones who changed  
I will not fear this  
No, not me and my sincerity  
I sold my soul to the open road  
I live my life alone!  
You won't find me in the same spot, believe me - I could never stop  
My life's turned upside down  
Meet me out past those train tracks  
I'm leaving and not coming back  
You're right and I was wrong  
This town will be the downfall of us allDon't forget yourselves  
We made up our minds  
And we signed 3, 4, 5 on the dotted line!  
Don't forget yourselves  
We made up our minds  
And we signed 3, 4, 5 on the dotted line!  
You won't find me in the same spot, believe me - I could never stop  
My life's turned upside down  
Meet me out past those train tracks  
I'm leaving and not coming back  
You're right and I was wrong  
You won't find me in the same spot, believe me - I could never stop  
My life's turned upside down  
Meet me out past those train tracks  
I'm leaving and not coming back  
You're right and I was wrong  
This town will be the downfall of us all  
This town will be the downfall of us allDownfall of us all!

Downfall of us all!  
Downfall of us all!  
Downfall of us all!
