

Don't Care

King's X

Lies, games, webs of pain
Giving, taking, oh abuse
Contention, extension, I will not be shamed
Crossing bridges I'm on the way
Chorus:
I just don't care like I used to
(I just don't care like I used to)
I don't care about you
I just don't care like I used to
(I just don't care like I used to)
I just care about...
Blind, find, piece of mind
I've never what it really is
Intention, rejection, little left away
Crossing the bridge I'm on my way
Chorus:
I just don't care like I used to
(I just don't care like I used to)
I don't care about you
I just don't care like I used to
(I just don't care like I used to)
I just care about you. Such a tossing to and fro
It's become clear to me
I just want to see the real...
From the fantasy
Chorus:
I just don't care like I used to
I don't care about you
I just don't care like I used to
I just care about you. Ohhhhh! Yeahhh!
I don't care about you
(repeat)
