

# Right Here (Departed)

## Brandy

When you feel your heart? s guarded  
And you see the break? s started  
When the clouds have all departed  
You'll be right here with me  
B rock, uh, Darkchild  
We back  
You'll be right here with me  
(Oh, oh, oh)  
You'll be right here with me  
When your life is going too fast  
Off the train tracks  
I can slow it down, oh  
Just when you think your bout to turn back  
'Stead you might crash  
I'll be your ground, oh  
Oh when you feel your heart? s guarded  
And you see the break's started  
And when the clouds have all departed  
You'll be right here with me  
And when your tears are dry from crying  
And when the world has turned silent  
And when the clouds have all Departed  
You will be right here with me.  
(Oh oh oh)  
I will be right here with you  
You'll be right here with me  
I will be right here with you  
You'll be right here with me  
When your trapped and there's just no key  
And you can't breathe  
I breathe for you  
The fire's got you down on both knees  
And the walls are closing in  
But I will break it through  
And when you feel alone  
I? m a be your home  
Whenevers comes and go  
You know I got you  
Oh when you feel your heart's guarded  
And when you see the break's started  
And when the clouds have all departed  
You'll be right here with me  
(You'll see the sun)  
And when your tears are dry from crying  
And when the worlds turned silent  
So when the clouds have all departed  
You will be right here with me  
I will be here right beside you  
Every step you take, yea  
I will be your strength, your shelter  
Shield you from the rain  
(Oh when you feel)  
Oh when you feel your heart? s guarded  
And when you see the break? s started

And when the clouds have all departed  
You'll be right here with me  
And when your tears are dry from crying  
And when the worlds turned silent  
So when the clouds have all departed  
You will be right here with me  
Oh when you feel your heart's guarded  
And when you see the break's started  
And when the clouds have all departed  
You'll be right here with me  
And when your tears are dry from crying  
And when the worlds turned silent  
So when the clouds have all departed  
You will be right here with me  
I will be right here with you  
You'll be right here with me  
I will be right here with you  
You'll be right here with me  
I will be right here with you  
You'll be right here with me, yea
