

# Art of Persuasion

Alina Baraz

Listen long enough, you can love me  
I'll be just yours, you can hold me  
Even let you undress my mind  
save it, play it, watch it, then press rewind I can give you what you need  
I can give you what you need  
I can make you feel  
I can make you feel I can make you feel alright  
I can make you feel alright  
Breath, breath me in, taste my words  
let me blow your mind I'll take you far, far away  
I'll make you feel alright  
You gotta crave it and chase it  
until your close enough to taste it  
I can give you what you need  
I can give you what you need  
I can make you feel (let me blow your mind)  
I can make you feel  
I can make you feel alright  
I can make you feel alright  
I can make you feel alright  
I, I can make you feel alright  
I, I can make you feel alright  
make you feel alright  
make you feel aright
