Red Hands

Walk Off the Earth

Oh yeah Oh yeah That gun is loadedI know that I messed up a few times or what you want to call it I know if I fell down you'd change the way that I saw it I'd put it on the line for this time onlyIs that what you really want? I can't see that I got red hands I'm colour blind sing day-oh Don't put the blame on me, childThe damn thing gone wild day-oh Never wanted to be foolin' you Can't believe I was ruling you Is that what you really want? Oh yeah Oh yeah That gun is loaded That gun is loaded, but it'sNot in my hand That gun is loaded, but it's Not in my handThe fire burns, I'm not the one with the match, man That gun is loaded, but it's Not in my handOh yeahOh yeah That gun is loaded I've seen it all before you back out & everything's changing I needed something more you stepped down so what are you chasing I'd put it on rewind for this time onlyIs that what you really want? I realize that I got red hands I want to change this day-oh Don't ask me why I choose to lie I stay blind all day-oh It's clear to me that you are fuming too Your accusations are burning through Is that what you really want? Oh yeah Oh yeah That gun is loaded That gun is loaded, but it's Not in my hand That gun is loaded, but it's Not in my hand The fire burns, I'm not the one with the match, man That gun is loaded, but it's Not in my hand Oh yeah Oh yeah That gun is loaded
