## Hyde

Tooki hi mishi uruwashi no  
Hiizuru kuni yo mada  
Utsurowazu sono sugata  
Utsuseri ya ima mo Mai furu hana kaoru haru  
Mizu kagami suzushi natsu  
Aki kinu to tsuki miagu  
Atatame ayuru fuyu yo Ano meguri kuru kisetu wo  
Ito oshimu kokoro he to  
Hikari wa umare kuru no darou  
Mekurumeku shakai no sumi de  
Kokoro torinokosare  
Saki wo seku hitonami ni mienaku naru  
Boku ga kieteku The sun's gonna rise  
The sun's gonna rise Ano azayaka naru miyako  
Tsutsumashii hitobito he  
Hikari wa kyou mo hikari wa  
Noboriyuku no darou  
Tooki hi mi shi uruwashi no  
Hiizuru kuni yo mada  
Utsurowazu sono sugata  
Utsuseri ya ima mo
