

On My Level (feat. Too \$hort)

Wiz Khalifa

It's the champagne pourin'
Big joint rollin'
Bombay sippin'
No blunt smoking
Bad bitch gettin'
Thick and she got some friends with her
I take 'em out pourin' shots of liquor
Drinkin' out the bottle, smiling in all my pictures
nigga, you know everything Taylored
Don't rush to the bar fool, if you ain't got no paper
That's the rules, high as fuck, sloppy drunk when I'm passing through
Rollin' doobies up, ya hoe who we pass 'em to
Hit the club spend this money up, roll another one, drink, act a fool
That's what I have to do
See after drinking champagne all night
Never worry bout a damn thing, y'all might
Homie I'm on my level (yeh)
I'm on my level (yeah)
I'm on my level (yeh) I'm on my level (yeaah) So let me take one shot to the brain
And I order three more shots
I'm going in, ayy
I'm on my level (yeh)
I'm on my level (yeah) I'm on my level (yeh)
I'm on my level (yeaah)
Spent a couple dollars on my engine
motor roaring when I back out the garage
Gin got me drunk as fuck stumbling out the bar
Plus I'm struggling tryna find the keys to my car
Cause I be going hard, roll the camera
Life just like a movie, I'm the star
Wish you was in my position
You too broke to play the part
Of course I keep some bad women with me in the back
Sippin' Rose with some hash twistin'
All about a dollar, my team in the cash gettin' Straight out the burb, we drinking we smash
niggas
So when I say I'm balling, that don't mean that I'm playing mate
All my diamonds talkin', you can see what they sayin' mayne In the middle of the night, early in
the mornin'
From the streets to the sheets with some freaks, I ain't yawnin' I'm wide awake, we ain't eatin',
we ain't sleepin'
These bitches so high man, we ain't even speakin'

We just freakin'
You rollin' with short dog babyShe was high on that pill so I fucked yo lady
Come to my house I give 'em everything they wantI might not dot it, but I give to ya women
Cocaine, mushrooms, ecstasy, GHB, Marijuana
She can suck it if she wanna
I got tequila, Ciroc and two freaky friends
and this a Wednesday night, this ain't the weekendMan I'm high as fuck
Man I swear I'm on my level
Man I'm sloppy drunk
Man I swear I'm on my level
I finna pass out
man I swear I'm on my level
A nigga get smashed outMan I swear I'm on my level
Man I'm high as fuck
Man I swear I'm on my level
Man I'm sloppy drunk
Man I swear I'm on my level
I finna pass out
man I swear I'm on my level
A nigga get smashed out
Man I swear I'm on my level
