Hold My Hand (Chris Lake Remix)

Jess Glynne

Standing in a crowded room and I can't see your face Put your arms around me, tell me everything's OK In my mind, I'm running round a cold and empty space Just put your arms around me, tell me everything's OKBreak my bones but you won't see me fall, oh The rising tide will rise against them all, ohDarling, hold my hand Oh, won't you hold my hand? Cause I don't wanna walk on my own anymore Won't you understand? Cause I don't wanna walk alone I'm ready for this, there's no denying I'm ready for this, you stop me falling I'm ready for this, I need you all in I'm ready for this, so darling hold my hand Soul is like a melting pot when you're not next to me Tell me that you've got me and you're never gonna leave Tryna find a moment where I can find releasePlease tell me that you've got me and you're never gonna leave Break my bones but you won't see me fall, oh The rising tide will rise against them all, oh Darling, hold my hand Oh won't you hold my hand? Cause I don't wanna walk on my own anymore Won't you understand? Cause I don't wanna walk alone I'm ready for this, there's no denying I'm ready for this, you stop me falling I'm ready for this, I need you all in I'm ready for this, so darling, hold my hand Don't wanna know That feeling when I'm all alone So please don't make me wait, cause I don't wanna break And I don't wanna fall When you're next to me Can tell I'm not afraid to beThat you don't make me wait, and never let me break You never let me fall Darling, hold my hand Oh, won't you hold my hand? Cause I don't wanna walk on my own anymore Won't you understand? Cause I don't wanna walk alone I'm ready for this, there's no denying I'm ready for this, you stop me falling

I'm ready for this, I need you all in I'm ready for this, so darling, hold my hand
