

The Death of EDM

David Guetta & Showtek

Yeah, y'all liked that shit, didn't ya?
Well, I got news for y'all
I'm on some new shit It had a good run, but it's over now
It's time y'all danced to a different sound
That nasty shit will make your ears bleed
You can never get enough of what you don't need
In time, every genre tastes defeat
It's the death of EDM, better drop a new beat
Yeah, it had a good run, but it's over now
It's time y'all danced to a different sound
EDM is dead
And I be killing it
And I be killing it
And I be killing it
EDM is
EDM is
And I be killing it
It's time y'all danced to a different sound
I be killing it Yeah, it's been ill for a while and now it's gone
It had to die so it could come back strong
It had a good run, but it's reached the end
We got a new sound now, go tell your friends
EDM is dead and I be killing it
EDM is dead EDM is
EDM is dead
It had a good run but it's over now
It's time y'all danced to a different sound
In time, every genre tastes defeat
It's the death of EDM, better drop a new beat EDM is
EDM is dead
