

# Elimination

**OFF!**

...out, our constitution  
We make the rules to fit themselves  
Elimination, built is all ...  
But it ... to militation  
Eliminate,  
Are the colors on your sleeves  
Take a bounce something...  
Modern souls show us dreams  
Money's all you need  
Think again and ...before you go to trench  
There's a ... pay for every son of a bitch  
Elimination!
