Call Me a Spaceman

Hardwell

Trough the milky way

In my spaceship

At the speed of light

I'm gonna make it

I know you' ve been expecting me

Turn on the camera's take another scene

We go like hands up people get with the show

We' re taking over people lose control

And that's my DJ reaching my soul

And for the stars my people we never fall

Yes I' m an alien

When I' m touching the earth

Call me a spaceman

When I travel universe

Yes I' m an alien

When I' m touching the earth

Call me a spaceman

When I travel universe

Call me a spaceman

Call me a spaceman

Call me a spaceman

Call me a spacemanCall me a spacemanCall me a spaceman

Trough the milky way

In my spaceship

At the speed of light

I' m gonna make it

I know you' ve been expecting me

And that's my DJ reaching my soul

And for the stars my people we never fall
