

Feel the Real

David Bendeth

Since we , been together been trying to tell you how I feel
I know, what I feel for you got to be real
But so far I've not been able to make you see
I've been loving you for so long
Now you're trying to make a fool out of me I tried to make you happy
You thought you found your fool
So let your game be over
Now I know what to do This time, instead of making a bigger mistake
I'll walk, 'cause this I don't need no more, I can't take it
Ba-da ba ba ba dey-ah
Ba-da ba ba ba-ah
Ba-da ba ba ba dey-ah
Ba-da ba ba ba-ah And now we're not together
I just made up my mind
Now that the fighting's over
I got myself some time I feel so much better than I did yesterday
The way I am, I know good things are gonna come my way
From now on, if you want to fight you fight by yourself, 'cause
I'll be getting things together with or without, I can do it for myself I tried to make you happy
You thought you found your fool
So let your game be over
Now I know what to do
Ba-da ba ba ba dey-ah
Ba-da ba ba ba-ah
Ba-da ba ba ba dey-ah
Ba-da ba ba ba-ah
